

Your name and your student number: Vladislav Stoimenov - 235030

Your mentor: Dean van Aswegen

The student number of the person you are reviewing: 235738

Question 1. The student submitted 15 masks: **Yes**.

1. Name of the image file: train_Dean_235738_im1.png

	Shoot Mask	Seed Mask	Root Mask
Req 1	PASS	PASS	PASS
Req 2	PASS	PASS	PASS
Req 3	PASS	PASS	PASS
Req 4	PASS	PASS	PASS

Requirement 5

No annotation errors were detected

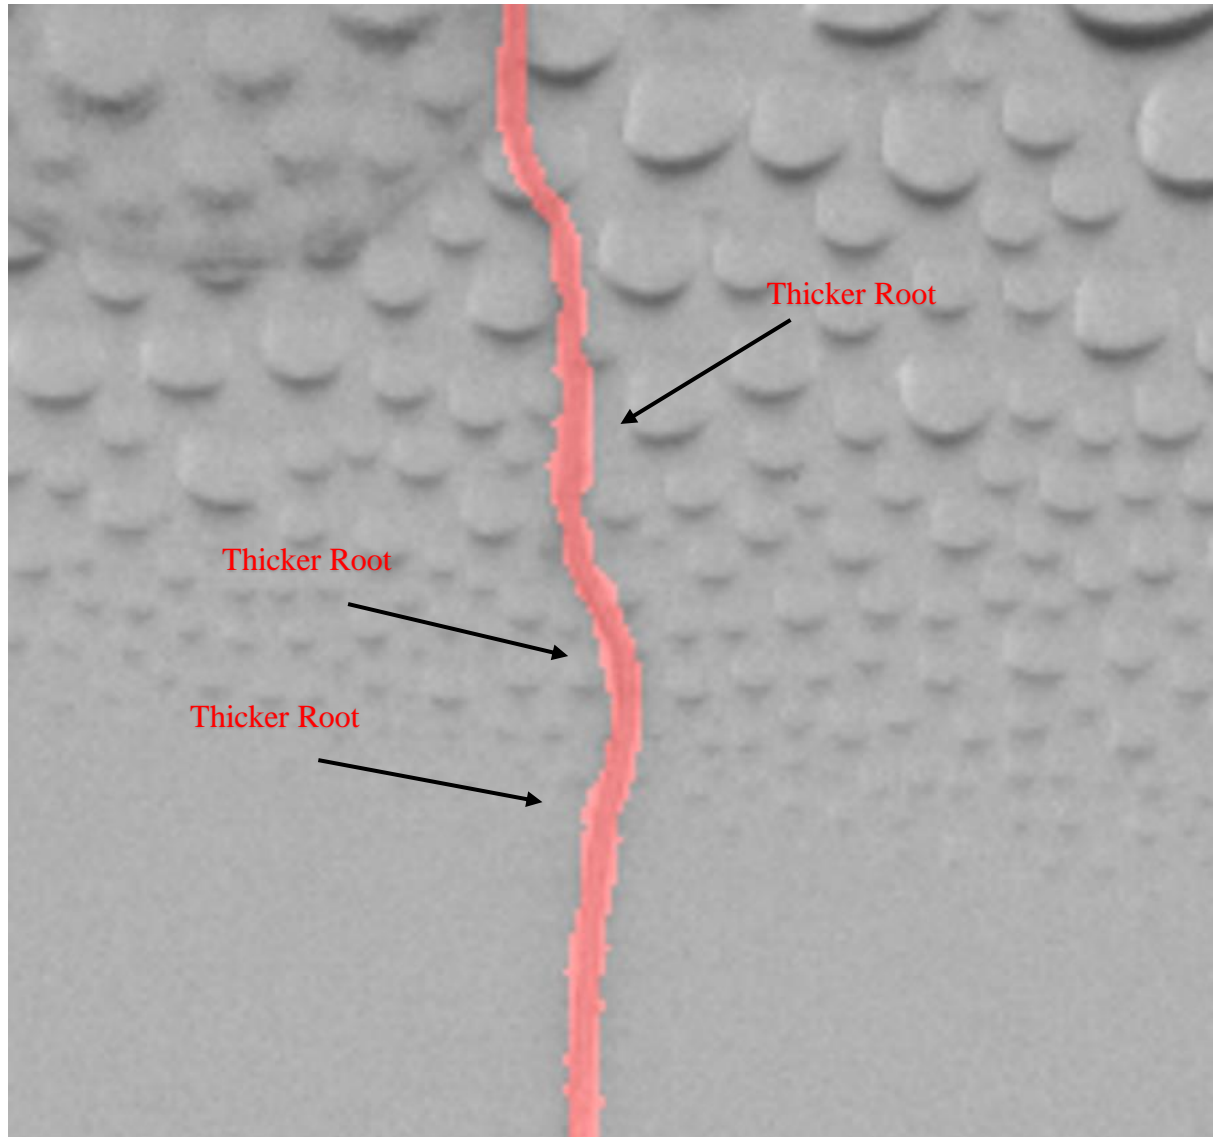

2. Name of the image file: train_Dean_235738_im2.png

	Shoot Mask	Seed Mask	Root Mask
Req 1	PASS	PASS	PASS
Req 2	PASS	PASS	PASS
Req 3	PASS	PASS	PASS
Req 4	PASS	PASS	PASS

Requirement 5

- **Incorrect Root Border** – Roots are labeled thicker than they actually are.

The student labeled roots thicker than they actually are. This can be seen on all 3 roots. For example, look at the root of the second plant.

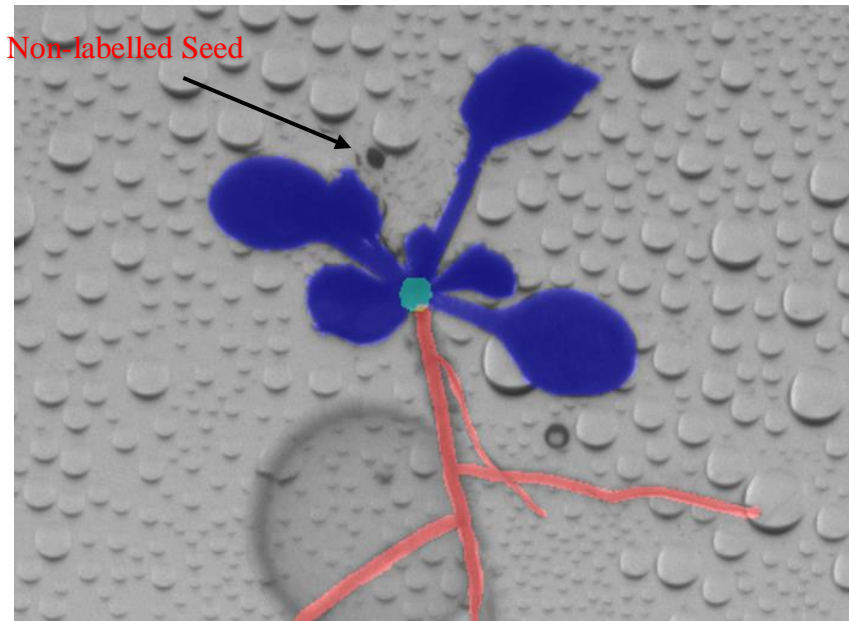

3. Name of the image file: train_Dean_235738_im3.png

	Shoot Mask	Seed Mask	Root Mask
Req 1	PASS	PASS	PASS
Req 2	PASS	PASS	PASS

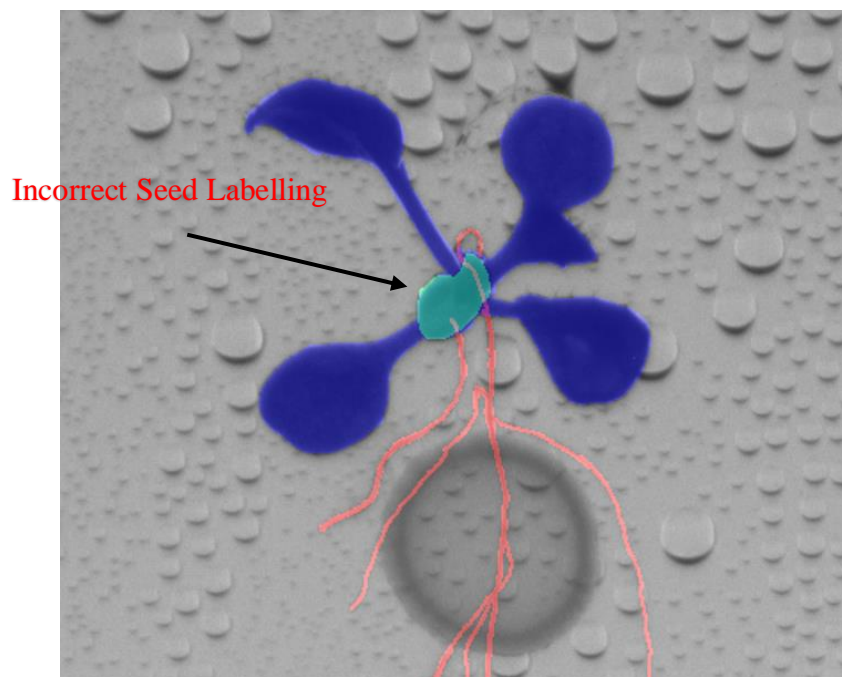

Req 3	PASS	PASS	PASS
Req 4	PASS	PASS	PASS

Requirement 5

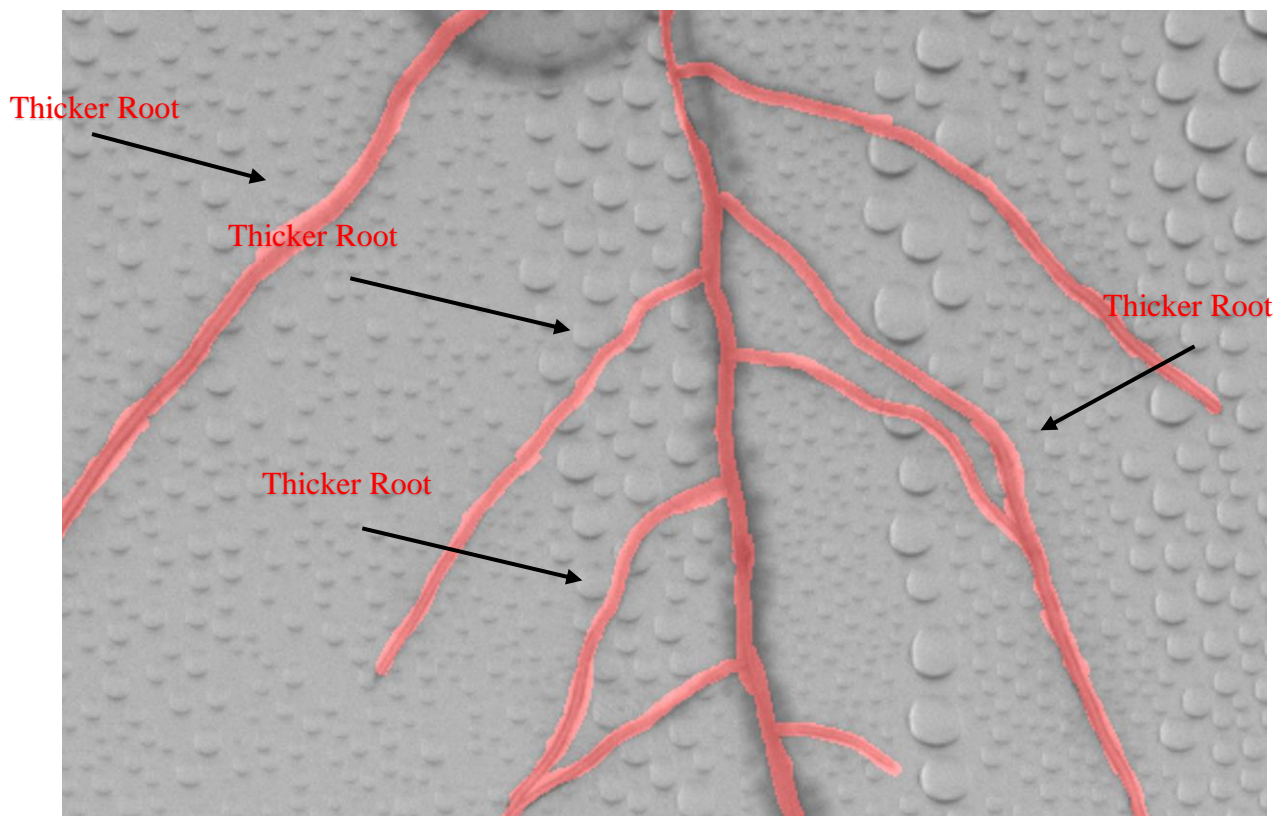

- **Missed Seeds** - Seeds that should be labeled are not labeled.
The student missed one seed over the plant in the middle.

- **Incorrect Seed Labeling** - Non-seed areas are labeled as seeds.
The student labeled some non-seed areas as seed rather than Shoot or Root. Seed, Shoot and Root are overlapping in the overlay image.
For example, look at the shoot of the first plant.

- **Incorrect Root Border** – Roots are labeled thicker than they actually are. The student made the root borders thicker than they are on some of the plants. For example, look at the root of the second plant

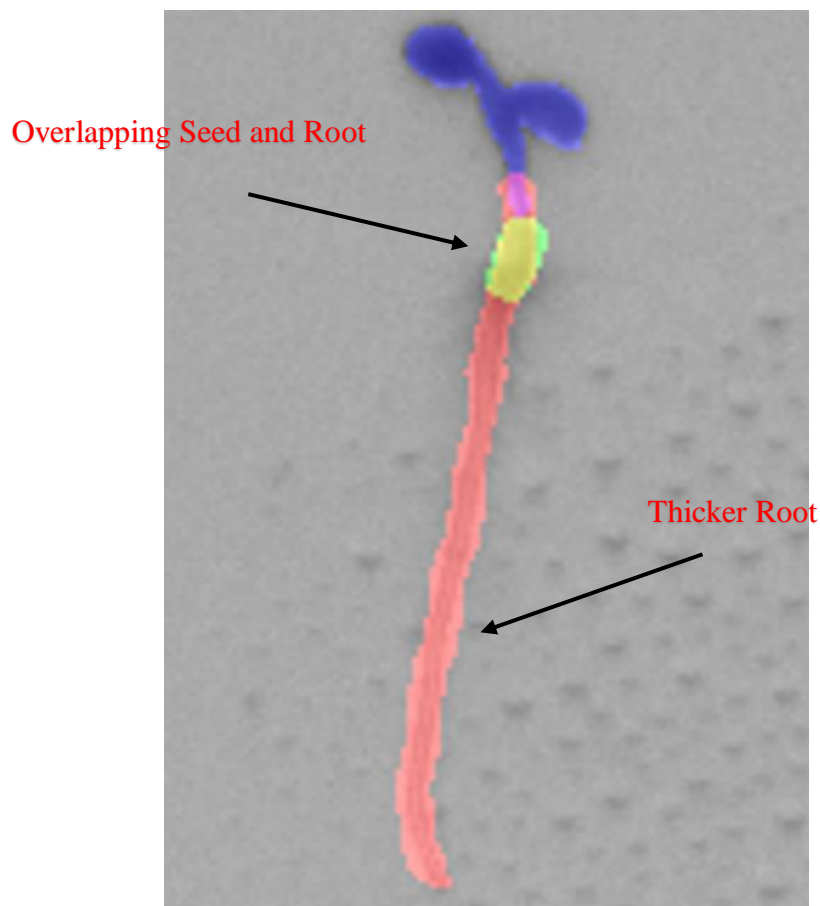

4. Name of the image file: train_Dean_235738_im4.png

	Shoot Mask	Seed Mask	Root Mask
Req 1	PASS	PASS	
Req 2	PASS	PASS	
Req 3	PASS	PASS	
Req 4	PASS	PASS	

Requirement 5

- **Incorrect Root Border** – Roots are labeled thicker than they actually are. The student labeled the roots thicker on some of the plants. This can be seen on each plant, but mostly on the 2nd and 4th ones. For example, look at the 2nd plant, shown below.
- **Other Miscellaneous Labeling Errors** – Seed and Shoot are overlapping in the 2nd and 4th plant. For example, look at the 2nd plant, shown below.

5. Name of the image file: train_Dean_235738_im5.png

	Shoot Mask	Seed Mask	Root Mask
Req 1	PASS	PASS	PASS
Req 2	PASS	PASS	PASS
Req 3	PASS	PASS	PASS

Req 4	PASS	PASS	PASS
--------------	------	------	------

Requirement 5

- **Incorrect Seed Labeling** - Non-seed areas are labeled as seeds.
The student labelled non-seed area as seed. This can be seen on the 2nd plant as shown in the image below.
- **Other Miscellaneous Labeling Errors** - Seed and Shoot are overlapping in all of the plants. For example, look at the 2nd plant shown below.
